List of Tables

Table A-1: Population by sex and household type by state/region and urban/rural area	2
Table A-2: Population by urban/rural area, sex and sex ratio by township, district and state/ region (including estimated population)	5
Table A-3: Population by single year of age, urban/rural area and sex, union (including estimated population)	28
Table A-4: Population by five year age groups, state/region, urban/rural area and sex (including estimated population)	34
Table A-5: Population by selected age-groups and dependency ratios by state/region and urban/rural area (including estimated population)	50
Table A-6: Population aged 10 and over by marital status, state/region and sex	53
Table A-7: Population aged 10 and over by marital status, 5-year age group and sex, union	56
Table A-8: Fertility and child mortality among women aged 10-54 in conventional households, by age group and state/region	59
Table A-9: Recent live births, child mortality, and fertility rates among women aged 15-49 in conventional households by state/region and age group	68
Table A-10: Age at first marriage among ever-married women aged 10-54 in conventional households by current age, state/region, and urban/rural area	77
Table A-11: Age at first live birth among ever-married women aged 10-54 in conventional households by current age, state/region and urban/rural area	86
Table A-12: Conventional households by sex of head, population by household type and mean household size by state/region and urban/rural area	95
Table A-13: Distribution of conventional households by household size, state/region and urban/ rural area	98
Table A-14: Distribution of population in conventional households by relationship to head of household and state/region	101
Table A-15: Population aged 10 and over by type of identity card, state/region and urban/rural area	102
Table A-16: Population aged 10 and over by type of identity card, state/region and sex	105
Table A-17: Population aged 10 and over by type of identity card, sex and age group	108
Table A-18: Birth registration status of population aged 15 and below by state/region and urban/rural Area	109

Table B-1: Households by type of housing unit, state/region and urban/rural area	113
Table B-2: Households by type of main construction material for the external walls, state/ region and urban/rural area	116
Table B-3: Households by type of main construction material for the roof, state/region and urban/rural area	119
Table B-4: Households by type of main construction material for the floors, state/region and urban/rural area	122
Table B-5: Households by type of ownership of housing unit, state/region and urban/rural area	125
Table B-6: Households by number of rooms in the dwelling unit, state/region and urban/rural area	128
Table B-7: Households by number of bedrooms in the dwelling unit, state/region and urban/ rural area	131
Table B-8: Households by location of cooking facility, state/region and urban/rural area	134
Table B-9: Households by main source of energy for lighting, state/region and urban/rural area	137
Table B-10: Households by main type of cooking fuel, state/region and urban/rural area	140
Table B-11: Households by access to communication items, state/region and urban/rural area	143
Table B-12: Households by access to transportation items, state/region and urban/rural area	146
Table B-13: Households with access to improved/unimproved sources of drinking water by state/region and urban/rural area	149
Table B-14: Households by place of collected water and time to go elsewhere for non-drinking use, state/region and urban/rural area	153
Table B-15: Households by type of sanitation facility, state/region and urban/rural area	156
Table B-16: Households by shared sanitation facility, state/region and urban/rural area	159
Table B-17: Households by observation of handwashing facility, state/region and urban/rural area	162
Table B-18: Households by availability of water and soap or detergent at the handwashing facility, state/region and urban/rural area	165
Table B-19: Households with access to service providers for solid waste disposal, state/region and urban/rural area	168
Table C-1: Literacy rates of conventional population by sex, state/region	172

Table C-2: Literacy rates of conventional population aged 15 years and over by sex, urban and rural, state/region	188
Table C-3: Numeracy rates of conventional population by sex, state/region	191
Table C-4: Numeracy rates of conventional population aged 15 years and over by sex, urban and rural, state/region	207
Table C-5: School attendance of conventional population aged 3 years and over by sex and age , urban and rural areas	210
Table C-6: School attendance of conventional population aged 3 years and over by sex , urban and rural, state/region	216
Table C-7(a): Conventional population aged 3 years and over by currently attending by sex and age, union	219
Table C-7(b): Convention population aged 3 years and over by currently attending by sex and age, urban	225
Table C-7(c): Convention population aged 3 years and over by currently attending by sex and age, rural	231
Table C-8: Convention population aged 3 years and over by currently attending by sex , urban and rural, state/region	237
Table C-9: Conventional population aged 3 years and over who stopped schooling by main reason of stopping by sex and age, union	245
Table C-10: Conventional population aged 3 years and over who stopped schooling by main reason of stopping by sex, urban and rural, state/region	251
Table C-11(a): Population aged 3 years and over (including institutional) by highest level of education completed by sex and age, union	260
Table C-11(b): Population aged 3 years and over (including institutional) by highest level of education completed by sex and age, urban	266
Table C-11(c): Population aged 3 years and over (including institutional) by highest level of education completed by sex and age, rural	272
Table C-12 : Population aged 3 years and over (including institutional) by highest level of education completed by sex, urban and rural, state/region	278
Table D-1: Labour force participation rate, unemployment rate and employment to population ratio by sex and age group, union	287
Table D-2: Labour force participation rate, unemployment rate and employment to population ratio by sex and age group, urban	292

Table D-3: Labour force participation rate, unemployment rate and employment to population ratio by sex and age group, rural	297
Table D-4: Current activity status by sex and age group, union	302
Table D-5: Current activity status by sex and age group, urban	307
Table D-6: Current activity status by sex and age group, rural	312
Table D-7: Population aged 15 years and over by current activity status, state/region and sex, union	317
Table D-8: Population aged 15 years and over by current activity status, state/region and sex, urban	321
Table D-9: Population aged 15 years and over by current activity status, state/region and sex, rural	325
Table E-1: Population aged 5 years and over with disability status, disability prevalence rate and type of disability by state/region	330
Table E-2: Population aged 5 years and over with disability status, disability prevalence rate, type of disability by age group and sex	331
Table E-3: Population aged 5 years and over with disability status, disability prevalence rate, type of disability by age group and urban/rural	335
Table F-1: Population in conventional households by place of birth, place of usual residence and sex	340
Table F-2: Population in conventional households by place of previous residence, place of usual residence and sex	343
Table F-3: Percentage distribution of lifetime migrants migration stream	346
Table F-4: Percentage distribution of recent migrants migration stream	347
Table F-5: Internal migrant population by main reasons of movement from prior residence and state/region	348
Table F-6: Percent distribution of international migrants by selected background characteristics	351

Section A: Demographic Characteristics

Table A-1: Population by sex and household type by state/region and urban/rural area
